

BERGEN COUNTY FOOD NOT BOMBS

free healthy food for
the community

12pm every  saturday

**Hackensack Bus Terminal
Off River Rd.**

Food Not Bombs shares food with our neighbors every **Saturday** from **12 noon to 2 pm** at the **bus terminal in Hackensack**. **All are invited** to share with us; the only requirement is that you are hungry or thirsty.

We are **not a religious group**, and we do **not require anything from you**. All are invited to join us and to help. All our food is vegan, so contains no animal products.

Bergen County Food Not Bombs is made up of Bergen County residents who are willing to prepare and share good healthy food with you.

The ideals that keep us going:

Food Not Bombs believes that society and government should value human need over corporate greed, and that most of our problems stem from this simple crisis in values.

Food Not Bombs recovers food that would otherwise be thrown out. We make fresh vegan meals that are shared in city parks to anyone without restriction.
